What is inspiration

The dictionary says:

- ❖ Have a creative idea
- ❖ A thought coming from within
- ❖ A magic solution to something that seemed unsolvable

My definition of inspiration

- ❖ Inspiration is always a combination of a set of talents and innate abilities.

How do you know if you are living it?

How do you find out what your inspiration is ?

By identifying and taking inventory of

- ❖ Your talents and skills
- ❖ Your preferences in what you do –what are you really good at doing, better than most people you know?
- ❖ What is your internal driving force, what motivates you
- ❖ What brings that sparkle into your eyes?
- ❖ What is YOUR measure of success - is it survival, money, a power position, public recognition, having fun, being free to work whenever you want to
- ❖ What setting is most conducive to your desired outcome?
- ❖ How do you recharge your batteries

The Career Scorecard Method

The answers to all these questions you insert into a table

You give * to each of your written down answers, 5***** to the MUST have's, 4**** to the would like to have's, and 3*** to those answers that would be nice to have but you can do without.

Then you only look at your 5***** scores and get a clear picture of what is really important to you and makes you feel good.

Have a clear picture

Now look BEHIND your clear picture

When you look at your 5***** statements you can

Detect YOUR core values

Those will be

- ❖ Freedom
- ❖ A sense of belonging
- ❖ Feeling safe and protected
- ❖ Exhilaration or excitement
- ❖ Joy
- ❖ Feeling loved and needed

**NOW YOU START SEEING
YOUR INSPIRATION**

What do you gain from knowing your inspiration

Inspiration

- ❖ Nourishes your vision
- ❖ Is the foundation for your goals
- ❖ Gives you clarity
- ❖ Helps you making decisions
- ❖ Helps you achieve your goals with less effort.

AND all that has such an inspiring effect on the people around you that they are highly motivated to support you in achieving your goals.

What is the benefit of knowing your inspiration ?

Whenever you need or want to make a decision

Whenever you receive an offer for a new project, position, business

Whenever you consider moving to another city, country, place

Whenever you have choices, want to make decisions, get invitations, or offers

You use your INSPIRATION – just like your navigational system in your car – and check whether option A or B is in alignment with it or not.

YOU HAVE A GPS GUIDING YOU

Your life becomes less complex
